Pfister<sup>®</sup>

# Pfister™

## Over 100 Years of Proud Heritage

For years, you've known us as Pfister. We've simplified our name to Pfister, but our 100 year legacy and commitment to providing high quality and innovative faucets backed by a Lifetime Warranty remains the same. As we begin a new century as Pfister, we are not only proud to continue our tradition, but also excited to discover new ways of enhancing your experience with our products and services. It's the experience that matters. Yours and ours.

## Showroom Preferred Collections

Continuing our tradition as a leader in the plumbing industry, Pfister proudly introduces our new Showroom Preferred Collections. These collections include award-winning designs and world-class finish options. From sleek, modern design statements to charming vintage updates, you're sure to find the Pfister style that coordinates beautifully with any project.

The Showroom Preferred Collections features exceptional kitchen and lavatory faucets, shower systems and showerheads that deliver value, style and innovation.

The Showroom Preferred Collections demonstrate why Pfister has been trusted since 1910.

**Pfister**

# KITCHEN:COLLECTIONS at a glance

Pfister offers **distinctive styles** and finishes in the perfect configurations that coordinate beautifully as the centerpiece of your home.

**Innovative technology** such as anti-splash sprayheads and pause-control sprayheads provide practical solutions to make life a little easier in the kitchen.

All kitchen faucets feature the **ceramic disc valving** to ensure the highest level of performance and reliability.
